COMPANY OVERVIEW

Saad Exim International Ltd. is a globally oriented apparel manufacturer and exporter based in Gazipur, Bangladesh. Founded in 2015, the company emerged from a rich family heritage in knitwear manufacturing originating in Athens, Greece. Today, we offer complete apparel solutions — from yarn sourcing to final shipment — across knit, woven and denim categories. Our 14,500 sq. ft. modern production facility is equipped with 8 dedicated lines and a skilled workforce, ensuring seamless production, consistent quality and timely delivery.

Our Mission

To deliver world-class apparel with uncompromised quality, ethical manufacturing and environmental responsibility. We strive to be a trusted partner in global supply chains by meeting clients' evolving demands through innovation, professionalism, and integrity.

Our Vision

To become a globally recognized name in apparel manufacturing, known for excellence, reliability, and responsible business practices that create value for all stakeholders.
